CALL FOR PAPERS

We want you to make the most of Le Tour Du Hack 2020 by submitting to our Call for Papers.

#LTDH20 will consist of a Capture The Flag competition and a conference.

The educational ethos that has always underpinned Le Tour Du Hack will carry over to this conference. There is no better example of this than our planned devotion to a student speaker track. Additionally, we will be providing feedback to all applicants!

We are looking for original conference talks showcasing compelling research, fascinating experiences, interesting findings or unique perspectives.

Talks must be of the presenter's own creation, plagiarism will not be tolerated. Talks may be recorded and/or live streamed on the day. Additionally, talks must abide by the Berlin Code of Conduct.

To submit a talk, please go to <https://tinyurl.com/LTDH20-CFP>

In your application, you will need to include:

- Full name
- Are you a student?
 - If so what University do you study at?
- Organisation
- Talk title
- Timeslot
 - 30 Minutes/1 Hour
- Talk abstract
- Talk outline
- Any additional information

If you have any questions feel free to reach out to us at LTDH20@enusec.org
